OBJECTIVE

Versatile **Frontend Developer & Data Analyst** skilled in **React.js, Java, Python, SQL, Power BI, and Tableau**, passionate about creating user-focused web applications and extracting actionable insights to enable data-driven decision-making.

EDUCATION

Bachelor of Engineering in Computer Science, Keshav Memorial Engineering College 2022 – 2026
Relevant Coursework: Data Structures & Algorithms, DBMS, Statistics, Machine Learning, Web Development

Intermediate, Narayana Junior College 2020 – 2022

Secondary Schooling, St. Joseph's Public School 2010 – 2020

SKILLS

Programming Languages	Java, Python, JavaScript
Frontend Development	React.js, HTML, CSS, Git
Data Analysis & Visualization	SQL, Python (Pandas, NumPy, Matplotlib, Seaborn), Power BI, Tableau
Core Knowledge	Data Cleaning, EDA, Business Intelligence, DSA, OOP, DBMS
Tools & Platforms	GitHub, Postman, VS Code, Firebase, Vercel, Render
Soft Skills	Problem-Solving, Analytical Thinking, Communication, Team Collaboration

PROJECTS

- **Movie Watchlist (MERN Stack)** — Developed a full-stack movie tracking app using React, Express, and MongoDB. Integrated OMDb API for real-time data, implemented secure RESTful routing, and designed a responsive UI deployed on Vercel and Render. ([Live Demo](#))
- **E-Commerce Sales Performance Dashboard (Python, SQL, Tableau)** — Analyzed sales data to uncover revenue trends and customer behavior. Created an interactive Tableau dashboard to monitor KPIs, improve marketing strategies, and reduce churn.
- **Unwire – Mental Health LLM Screening Tool (Web + LLM)** — Built an AI-powered screening platform using NLP and BERT for text classification. Delivered personalized recommendations, ensured secure data handling, and improved accessibility to mental health resources.
- **Personal Portfolio Website (Next.js)** — Designed and built a fast, responsive personal portfolio using Next.js with smooth navigation, optimized SEO, and seamless deployment on Vercel to showcase projects and skills.

CERTIFICATIONS

- **Deloitte Data Analytics Job Simulation** – Forage [View Certificate](#)
- **AI for Beginners** – HP Life [View Certificate](#)
- **Python Programming (SIDH)** – Microsoft [View Certificate](#)

EXTRA-CURRICULAR ACTIVITIES

- Solve **Data Structures & Algorithms** problems on LeetCode and build mini-projects to strengthen problem-solving.
- Participate in **Kaggle challenges** and create dashboards to enhance data storytelling skills.
- Engage in **peer mentoring, presentations, and hackathons**, improving teamwork and communication.
